WORLD FISH AND BFRF GRANTS

‘Innovating aquaculture to evaluate selected gender-responsive options for aquaculture to improve nutrition amongst poor rural and urban consumers in Bangladesh’

- Call open from 1 April – 25 April 2016
- Concept submission to: Prof. Dr. Md. Jahangir Alam (BFRF) (info_bfrf@yahoo.com and mjalam.bsmrau@gmail.com) & WorldFish Bangladesh (K.Kabir@cgiar.org)

COORDINATION	
Project Coordinator <i>(This person in-charge of ensuring that people and resources devoted to completing the project are used appropriately; that project is implemented on time and that teams involved coordinate with each other.)</i>	<i>Unit, Institution (if available)</i> <i>Postal address</i> <i>SURNAME, Given name</i> <i>Position</i> <i>E-mail address</i> <i>Tel./fax</i> <i>Mobile:</i>
If different from above, Scientific Leader <i>(This person is in-charge of providing the overall scientific strategy and guidance in implementing the project.)</i>	<i>Unit, Institution (if available)</i> <i>Postal address</i> <i>SURNAME, Given name</i> <i>Position</i> <i>E-mail address</i> <i>Tel./fax</i> <i>Mobile:</i>
GENERAL INFORMATION ABOUT THE PROJECT	
Full title	
Thematic strand(s) that the proposal will address (see the five research fields in the call)	
Project members (list all)	<p>(1) <i>Unit, Institution</i> <i>Postal address</i> <i>SURNAME, Given name</i> <i>Position</i> <i>E-mail address</i> <i>Tel./fax</i></p> <p>(2) <i>Unit, Institution</i> <i>Postal address</i> <i>SURNAME, Given name</i> <i>Position</i> <i>E-mail address</i> <i>Tel./fax</i></p> <p>(3) <i>Etc.</i></p>

PROJECT DESCRIPTION	
State of the art on the subject and issues/ needs to be addressed (incl. problem statement) <i>(Max. 2500 characters, spaces included)</i>	
Project objectives (incl. research question(s) and deliverables / expected outputs) <i>(Max. 2500 characters, spaces included)</i>	
Describe the overall approach and methodology <i>(Max. 2500 characters, spaces included)</i>	
Describe what gender-responsive option(s) mean in this application <i>(including implications for the RQs, data collection methods and analysis; and what does this mean for impacts/outcomes aims)</i> <i>(Max. 2500 characters, spaces included)</i>	
Estimation of budget breakup <i>(Incl. personnel travel and input costs, etc.)</i>	

Short CVs for key project members:

Gender balance of research team	No. of female researcher:	No. of male researcher:
(1) Name:		
Position:		
Education		
Key skills		
Experience		
(2) Name:		
Position:		
Education		
Key skills		
Experience		
(3) Name:		
Position:		

Education	
Key skills	
Experience
